Location

Ushaw Moor is a pit village in County Durham. It is situated to the west of Durham, a short distance to the south of Bearpark. In the last 30 years the village has become the centre of the Deerness Valley and has prospered. The good schools and amenities within the village have meant it has become popular with first time buyers and is a popular place in which to live and work, due to the good links with Durham and Newcastle. This is a prominent site within a mixed residential/retail parade with good footfall and passing trade.

Description

The ground floor unit has a floor area circa 91.66 sq. m. (986.6 sq. ft.). It has recently ceased trading as a party and gifts store and previously been used as a takeaway business and therefore benefits from retaining an A5 Hot Food Takeaway licence.
