Budle Cottage

Waren Mill, Belford

Northumberland NE70 7EE

Having been fully renovated by the current owners, this charming stone cottage offers beautifully presented and energy efficient accommodation set within a small coastal hamlet overlooking Budle Bay at Waren Mill, just outside of Bamburgh. When the property was renovated, great care was taken by the architect to create a property suitable for modern living and ensuring that the living space maximises use of natural light, built in storage solutions, and effective insulation. Outside space and private parking is available at the front of the cottage, and room for a log store and storage. Inside the rooms are light and airy which is accentuated by roof windows and light tunnels, as well as engineered white oak flooring throughout the living and bedroom areas. Whilst there are contemporary fixtures and fittings, the cottage still retains charm and character features such as the exposed stone wall incorporating an inglenook fireplace with wood burning stove, and exposed beams in the upstairs vaulted ceiling. The window seat in the lounge frames the picturesque view out towards the bay at the end of the lane, and the upstairs bedrooms windows both face out towards the stunning Budle Bay.
