

Dunmoor Road Belford

This 'Lindisfarne' style three bedroom detached dormer bungalow is situated on a newly built development within the small village of Belford in Northumberland.

This style of property particularly appeals to buyers looking for ensuite double bedroom accommodation on the ground floor, and additional upstairs double bedrooms for guests. In addition to the upstairs bathroom and ensuite to the ground floor bedroom, there is also a separate guest W.C. located off the hall. The kitchen is fitted with a comprehensive range of units including integrated appliances, and ample space for a sizeable table and chairs.

The aspect from the rear of the property is particularly attractive as it doesn't face any houses. At the front there is a double block paved drive and a planted flower bed.

Unlike some properties in other Northumberland Villages, this house has mains gas central heating.

There is no onward chain, so it is a great opportunity for a buyer to progress quickly with a purchase.
