

Mill House Gardens

Lesbury

Occupying an attractive plot in a quiet cul-de-sac position with a private rear garden and upstairs views over a bowling green, this detached residence is located in the coveted village of Lesbury on the Northumberland coast.

It is a great location for proximity to the nearby East Coast Main Line rail service at Alnmouth Station, local Primary School, and just over a one mile walk to the popular coastal village of Alnmouth with its stunning golden sand beaches.

Local residents benefit from a community shop, village hall, and the recently re-opened Coach Inn Public House.

The accommodation offers an open plan lounge through dining room, benefitting from a dual aspect as well as borrowed light from glazed double doors that lead through to the conservatory. Accessible from both the main garage door and from the hall, the garage includes a W.C. and a small utility room at the rear, and access out to the rear garden.

The kitchen is fitted with a range of units and some integrated appliances, and upstairs there are three attic style bedrooms with dormer windows, and a re-fitted shower room.

The beautiful mature and well-maintained gardens at the rear are undoubtedly a superb feature of the property, offering privacy and a pleasant outlook from the downstairs living accommodation.
Ample private parking is available on the front block-paved drive.
