The Stables Pigdon

Very rarely found on the market, sits this quirky and spectacular four bed stone built family home on The Stables, Pigdon. The property itself is nestled within a small cluster of homes, offering its new owners that peaceful semi-rural living at its finest, whilst internally offering that overall Wow factor with high ceilings and beautifully finished with beams to the top floor.

The property briefly comprises:- Entrance hallway, downstairs W.C, bright and airy lounge with a LPG fire for those cosy evenings. The lounge has its own private staircase offering direct access to bedrooms three and four, one of which is a double room with high beams and benefits from its own en-suite shower room, whilst the fourth is a single and could be used as an office space to suit. The kitchen/diner exudes space with ample space for your own large dining table with chairs and provides access into the rear garden, whilst the kitchen itself has been fitted with a range of wall and base units, offering an abundance of storage. Appliances include a double oven, electric hob with extractor fan and dishwasher.

From the hallway, you have a second staircase which provides direct access to a further two large double bedrooms, both of which again provide those quirky wooden beams and are carpeted throughout with modern décor. The family bathroom has been finished to a high standard with W.C., hand basin, free-standing bath tub and a separate walk-in shower.

Externally you have a double garage with two allocated parking bays. To the rear you are greeted with an enclosed patio area, which has been fully decked and will provide a delightful area to sit on an evening to enjoy the outdoors. There is also a dedicated bin storage area and an equipped electric car supply.

This is a must view to appreciate the space on offer.
