PROPERTY DESCRIPTION:

Sunny Hill is positioned at the head of the cul-de-sac on an elevated plot overlooking the crescent. The outside space is a real seller with this one, offering plenty of garden space and off street parking.

The internal space requires some modernization but offers a fantastic spacious home in which to grow a family or enjoy life in the beautiful Hexham West End.

The property is entered from the driveway into the central reception hall which offers doorways to all main ground floor rooms.

The lounge is a fabulous room with bay window providing additional space and housing window seating. A chimney breast also houses a feature fireplace with marble style backing and dark timber surround. Tall skirting boards and coving are lovely features to the room.

The dining room is situated to the rear elevation with fantastic UPVC patio door opening out into the garden. This room is more than spacious enough for family dining and would also make a great snug.

With having two well-sized ground floor reception rooms, there is always an option to use one as a ground floor bedroom if needed, helped by having a ground floor shower room also.

The breakfasting kitchen is an extended room with plenty of light from the south facing window and glazed external door. A hand range of wall and base cupboard units, fitted gas hob and eye level double oven as well as space for white goods also. The breakfasting end of the room is spacious enough for table and chairs.

From the hallway, an archway leads through beneath the stairs, accessing the under-stairs cupboard as well as the ground floor shower room, again an extension of the original build. Corner shower cubicle, WC and hand wash basin are comprised with a

glazed window making the room bright with natural light.

The stairs from the central hallway lead up to the first floor landing giving access to all three bedrooms and the family bathroom.

Both bedrooms one and two are very generous in size with fitted storage to the alcoves and windows to the front and rear elevations respectively.

The third bedroom is a single, again with fitted storage cupboard.

Spacious is definitely a word needed to describe the family bathroom also. The suite comprises WC, bath and hand wash basin with radiator. Frosted glass window to side elevation and boiler/airing cupboard to the corner of the room.

Externally, this property offers an abundance of space to the front side and rear. Block paved driveway parking for 2/3 cars is available as well as the detached garage offering covered parking for up to 1/2 small cars also. The garage has a pedestrian access from the rear garden also.

Mature raised flower beds to the front add some colour and a pedestrian gate to the side gives access to the rear garden which is large due to the corner plot position.

The rear garden is currently split into two areas, mainly laid to lawn but incorporating, mature borders, fish pond with water feature, greenhouse, raised area for planting as well as patio outside the patio door from the dining room.

The location of this house is ideally places for those families looking to take advantage of the well-regarded local schooling, within walking distance of primary and secondary schools.

Hexham town centre is also within walking distance offering supermarkets, restaurants, public houses, leisure facilities including indoor swimming pool, sports clubs, hospital, rail and bus stations as well as parks and riverside walks.
