Location

Park View is a busy shopping parade located in the centre of the Coastal Town, Whitley Bay. It benefits from busy footfall and passing trade. The town itself is currently going through regeneration, being a popular North Tyneside Town, which will only increase the interest in the future. Densely populated and having a large variety of Independent and Specialist Outlets.

The Business

Our clients took over the existing business in August 2023 proceeding to invest substantial funds into the infrastructure, decoration, fixtures & fittings and premises licence, reopening in October 2023. They then decided to re-brand earlier this year and opened as a café/bar with a mid-century vibe which is reflected in the seating and decoration. The space has open plan seating, bar, kitchen and customer W/C facilities. Whilst the current owners have established a very successful business, they recognise that there is room for further growth. There is potential to fully utilise the kitchen for take away food as there is a rear entrance and yard suitable for delivery drivers.
