Beautifully presented home

Set within one of Northumberland's most desirable and historic villages, this beautifully presented stone-fronted home enjoys an enviable position in Warkworth, with views of the iconic castle from the rear upstairs windows and just a short walk from the property. Offering spacious and versatile accommodation, private gardens, and the rare advantage of no onward chain, this is a unique opportunity to secure a traditional style home in a truly picturesque setting. Warkworth is renowned for its rich heritage, scenic river walks, and welcoming community, while the nearby coastal towns of Alwick and Amble provide a wide range of amenities, shops, and leisure facilities.

Spacious light-filled living room

The living room to the front features timber double-glazed cottage windows, a striking fireplace and double doors opening through to the dining room. This in turn provides direct access to a bright sunroom with doors opening onto the patio—perfect for enjoying the sunny aspect.

Well-appointed kitchen

The kitchen is well-appointed with a comprehensive range of quality wall and base units, Silestone worktops, and integrated AEG appliances including a five-ring gas hob, oven, microwave, dishwasher, and fridge freezer. The gas combi boiler is concealed within a wall unit, and there is space for a washer dryer. The hall and kitchen also benefit from the original Karndean wooden flooring, which has been recently repolished.

Impressive bedrooms & bathroom

Upstairs, the property continues to impress with three generously sized bedrooms, two of which benefit from ensuite facilities. The principal bedroom to the front includes fitted wardrobes and an en-suite shower room. A second bedroom to the rear enjoys a delightful open aspect, including views of the castle - an exceptional feature that truly sets this home apart.

A well-equipped family bathroom includes both a bath and a separate shower with a rainfall head and separate hand-held attachment.

Superb attic bedroom

The first floor home office is ideal for remote working, which also provides access via a staircase to a superb attic bedroom. This top-floor suite offers Velux windows with elevated views towards the castle and surrounding village, along with fitted storage and its own ensuite — making it perfect for guests or as a private retreat.

Private rear garden & garage

To the front, a low-maintenance gravel garden with wall boundaries and wrought iron gate enhances the home's kerb appeal.

The private rear garden enjoys a sunny aspect and is mainly paved with attractive planting areas - ideal for outdoor dining and relaxation. A gate provides access to the rear parking area and detached garage, offering both convenience and security.
