11 Greyfield Estate, Embleton, NE66 3XU

Situated in the highly sought-after coastal village of Embleton, this beautifully presented home enjoys an enviable position just moments from the stunning Embleton Bay, with its sweeping sands and breathtaking views towards the iconic ruins of Dunstanburgh Castle.

The property has been significantly enhanced and thoughtfully upgraded by the current owners, offering stylish and energy-efficient living throughout. At the heart of the home is a recently re-fitted WREN kitchen, complete with a range of integrated appliances and contemporary finishes, perfect for modern day living.

The dual aspect living room is both bright and inviting, featuring a charming multi-fuel stove that creates a cosy focal point. A modern walk-in shower room adds further appeal, while two well-proportioned double bedrooms provide comfortable accommodation.

Externally, the property continues to impress. The landscaped rear garden has been designed for low maintenance and benefits from a sunny southerly aspect—ideal for relaxing or entertaining. To the front, the property offers a fully block-paved driveway providing convenient off-street parking.

Further benefits include the addition of solar panels and an air source heat pump, both of which contribute to the home's impressive energy efficiency. As a result, one of the standout advantages of the property is its exceptionally low running costs, with heating, lighting, and cooking averaging approximately £55 per month. This represents a significant saving for prospective buyers, and the current owner is happy to share utility bills with viewers, offering full transparency and added confidence in the property's affordability.

This is a fantastic opportunity to acquire a stylish, move-in ready home in one of Northumberland's most desirable coastal locations.

MINING

The North East region is famous for its rich mining heritage and therefore it will be beneficial to conduct a mining search. Confirmation should be sought from a conveyancer as to its effect on the property, if any.

RESTRICTIONS AND RIGHTS

The property benefits from a right of access across the rear gardens, originally intended to facilitate coal deliveries when the terrace relied on coal-fired heating. While this is no longer required, the access is retained primarily for occasional maintenance purposes, such as window cleaning or the delivery of larger items that cannot pass through the house. In practice, as the property is one of the central homes in the terrace, this access is rarely used, with the current owners noting that it has only been utilised once in recent years.
