Stepping into the warm and welcoming hallway it is apparent that this has been a very happy home. The lounge is cosy yet spacious with a focal fireplace fitted with an electric fire and patio doors leading into the conservatory which is a lovely second sitting room, ideal for relaxing and looking out onto the fabulous garden.

The breakfast kitchen at the front of the property has an ample range of wall and base units with a fitted eye level double oven, electric hob and extractor and space for a fridge freezer. The worktops extend to a peninsular table for two, perfect for breakfast and early morning snacks. A courtesy door opens into the garage with an electric roller shutter door and a utility area to the rear with plumbing for a washer and space for dryer and freezer and a door to the rear accesses the rear garden.

Adjoining the kitchen with a door from the hallway is the dining room/third bedroom, a flexible room ideal for a formal entertaining room or a single third bedroom. There are two further bedrooms, the main is an excellent size and fitted with wardrobes and drawer units with further fitted wardrobes to bedroom two and there are plenty of storage cupboards throughout the property. Currently the shower room and W.C. is separate but could be combined to provide a larger space.

Outside, the bungalow stands behind a lawned garden and the driveway accesses the garage and a paved pathway leads you to the entrance door. Primarily laid to lawn the size of the rear garden is a real show-stopper, bordered by timber fencing and with a paved patio which is a lovely place for al fresco dining, summer barbeques or simply to enjoy the sunshine in peaceful surroundings. A garden shed will be left for storage of outdoor furniture and tools. Warkworth is a particularly charming village with the 15th century Castle at the heart of its centre which hosts many events during the spring and summer months including Easter Quest, a fun-filled family weekend in the search of eggs and the popular Warkworth Show.
