A beautifully elegant property, perfectly suited to discerning families, mature buyers, or retirees seeking space, privacy, and countryside charm without compromise.

Substantial, relaxing living room

The accommodation is both generous and beautifully appointed. A substantial through living and dining room provides a superb principal reception space, bathed in natural light from a dual aspect and ideal for both relaxed family life and entertaining. Within the living area, a striking multi-fuel stove set within a stone surround and finished with a solid wood mantel forms a handsome focal point — adding warmth, character and a welcoming ambience to the room. A separate reception room, currently arranged as a formal dining room, offers further versatility — equally suited as a sitting room, study or snug.

Luxurious, high-quality kitchen

At the heart of the home lies a luxurious kitchen, thoughtfully designed with high-quality integrated appliances, granite countertops and ample cabinetry, combining style with practicality. A separate utility room ensures everyday functionality, while a well-appointed ground floor shower room adds flexibility for guests or multi-generational living. Underfloor heating throughout the ground floor and within the bathrooms enhances comfort and efficiency.

Spacious, light-filled bedrooms

Upstairs, four well-proportioned bedrooms provide excellent accommodation, three of which are generous doubles. The principal suite benefits from a private en-suite shower room, creating a calm and comfortable retreat.

Beautifully maintained garden

Externally, the property continues to impress. In addition to the double driveway at the front, there is a separate double garage that is also accessible from the private garden at the rear, offering ample parking and storage. To the rear, a long, beautifully maintained garden enjoys an open aspect across fields, affording a wonderful sense of space and tranquillity — a rare and highly desirable feature.
