For Sale by Auction: Thursday 30th of July 2026, Option 1, Terms and Conditions apply.

This detached two-bedroom bungalow with possibly the best views in Hexham is offered with no onward chain.

The property is entered from the driveway into an outer entrance vestibule, leading in to a further inner entrance vestibule off the lounge. The lounge offers large bay window with stunning views over Hexham and the Tyne Valley beyond as well as feature fireplace with alcove. There are a further two doors off the lounge to the second bedroom and kitchen.

Both bedrooms are situated to the rear elevation, one off the lounge and one off the kitchen. The kitchen, like the lounge, is situated to the front elevation benefitting from those stunning elevated views.

Beyond the kitchen is a passage with doors to the bathroom, separate WC and storage cupboard. At the end of the passage is the rear door which opens into a UPVC covered yard between the property and the outhouse which has power, lighting, plumbing and Belfast sink unit with taps.

Externally the property has private gardens to the rear mainly laid to lawn with mature borders. The garden is tiered towards the back of the plot, again enjoying the superb views on offer. At the front, the property benefits from driveway parking, comfortably accommodating two cars with additional space in the single detached garage.

I cannot stress enough, how good the views are from this property and the current owners have derived much pleasure from the panoramic views from the living room and kitchen windows of the town and rolling hills beyond.

Historic Hexham town offers all amenities including healthcare, groceries, hospitality, leisure facilities, schooling for all ages, transport links including bus and train stations, Riverside Park, golf courses, countryside trails and weekly markets in the square.

This property would benefit from some updating and potential remodelling to bring it up to modern standards. It has the potential to be a stunning home centred around those jaw-dropping, elevated, open views.

Viewing is essential to appreciate what is on offer here.
