On entering the property from the sheltered entrance into the welcoming lobby, stairs lead you to the first floor. The spacious lounge with a fitted fireplace provides a cosy focal point in the evenings and the room flows into the dining room to the rear which is a great space for everyday eating for entertaining. From the dining room French doors lead into the conservatory with doors opening out to the patio area and surrounding mature gardens. The breakfast kitchen is fitted with a range of wall and base units with a ceramic butler sink and taps, a fitted dishwasher along with a space for a range cooker and a fridge freezer. From the kitchen, the former utility room is now a boot room with stable door to the side and benefits from a courtesy door to the garage with an electric roller shutter door and with light and power as well as plumbing for a washing machine and space for dryer and freezer. Returning back to the lounge the full size door under the stairs provides excellent storage room for coats and not to be seen items and a further door leads to the ground floor w.c.

To the first floor from the landing the four bedrooms are all of a good size, the main is particularly spacious with an en-suite shower room with fitted tiled shower cubicle. There are two further bedrooms located to the rear which are doubles one having a built in wardrobe cupboard.

The fourth bedroom to the front is currently a single to accommodate the range of fitted wardrobes however should a double be required rather than wardrobes, the space is there. The family bathroom is fitted with a P-shaped bath with shower room and tiled walls.

Outside the mature plants and shrubs to the front lawned garden gives privacy to the living room and the driveway provides off road parking and accesses the garage. A paved side and gated pathway leads to a pretty archway into the rear garden. Particular mention must be made of the glorious gardens which are mainly lawned with shrubs, plants and trees. Being on a corner plot, the garden extends to the side with an attractive lattice fence and archway to a pebbled and stepping stone garden. The paved patio is a lovely outdoor space for al fresco dining on a warmer summer evening or just simply to sit and relax.

Amble is a thriving and vibrant traditional harbour town which has become increasingly popular over the past few years. There are many shops, cafes and restaurants in the town centre and supermarkets for a weekly shop and Amble Harbour Village has many highly regarded fish restaurants and coffee shops. The walk along the Pier and breakwater in all seasons of year is a must and Amble has its own Little Shore Beach which is perfect for children. From the harbour, there are boat trips across to Coquet Island with sightings of puffins, roseate terns and grey seals along and occasionally dolphins and the market on a Sunday at the harbour is well worth a visit.
